Introduction

McFunSoft iPod/PSP/3GP Video Converter is all-in-one video conversion software. It converts a wide range of video formats (rm, rmvb, 3gp, 3gp2, gif, avi, dv, dif, mov, qt, swf, mjpg, mjpeg, mp2, mp3, ogg, etc) to popular formats playable on portable video devices such as Sony psp, MP4 player and smart phone. Its speed and quality are unbeatable.

McFunSoft iPod/PSP/3GP Video Converter is a must-have tool for transferring video onto your iPod, PSP smart phone or other portable video devices

Features

Converts any supported format to Apple iPod Video.

Converts any supported format to Sony PSP.

Converts any supported format to 3GP.

Converts any supported format to MP4 format that can be played on general portable video devices.

Unbeatable video conversion speed.

User-friendly interface that is easy to use.

Transfers video files to iPod, PSP or smart phone directly. No need to install iTunes or other softwares.

Supports batch conversion.

Stunning video and audio quality.

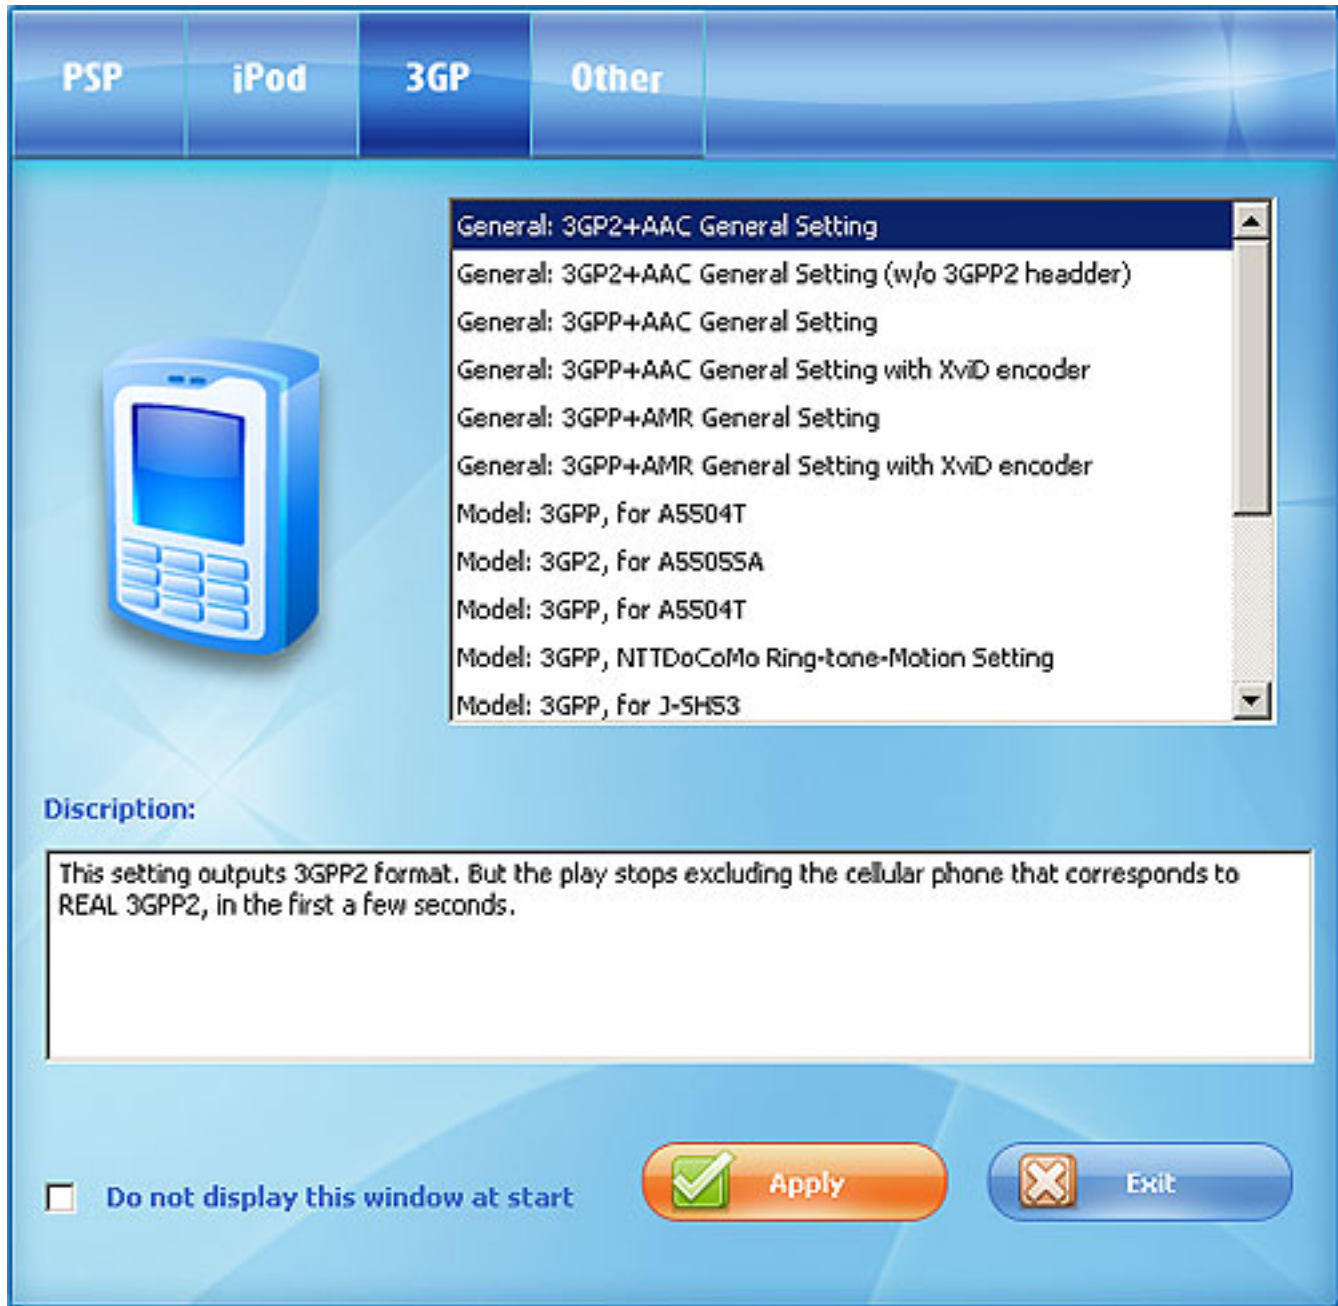

Supports a wide range of video/audio options for MP4 files. For example, video/audio sample rate, bit rate, video size...

Offers the option to automatically shut down your computer when the conversion has been completed.

Quick Start

The following instructions should get you converting files in no time!

1. Start the program. Choose the desired format. The Description of the output format will be displayed in the description window.

2. Click the "Add" button to add files. The added files will be listed in the show window. Click "Delete" or "Clear List" to delete files.

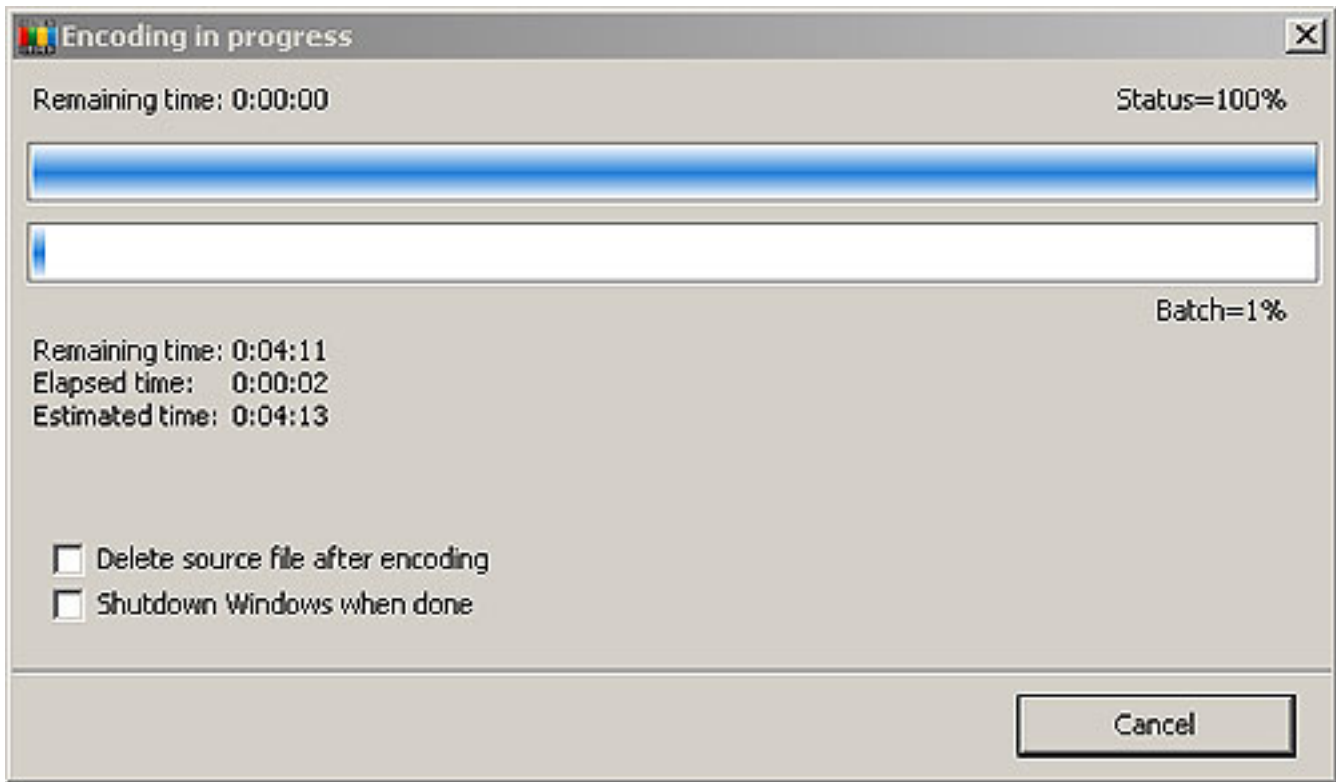

3. Select video/sound parameters in the drop-list menu.

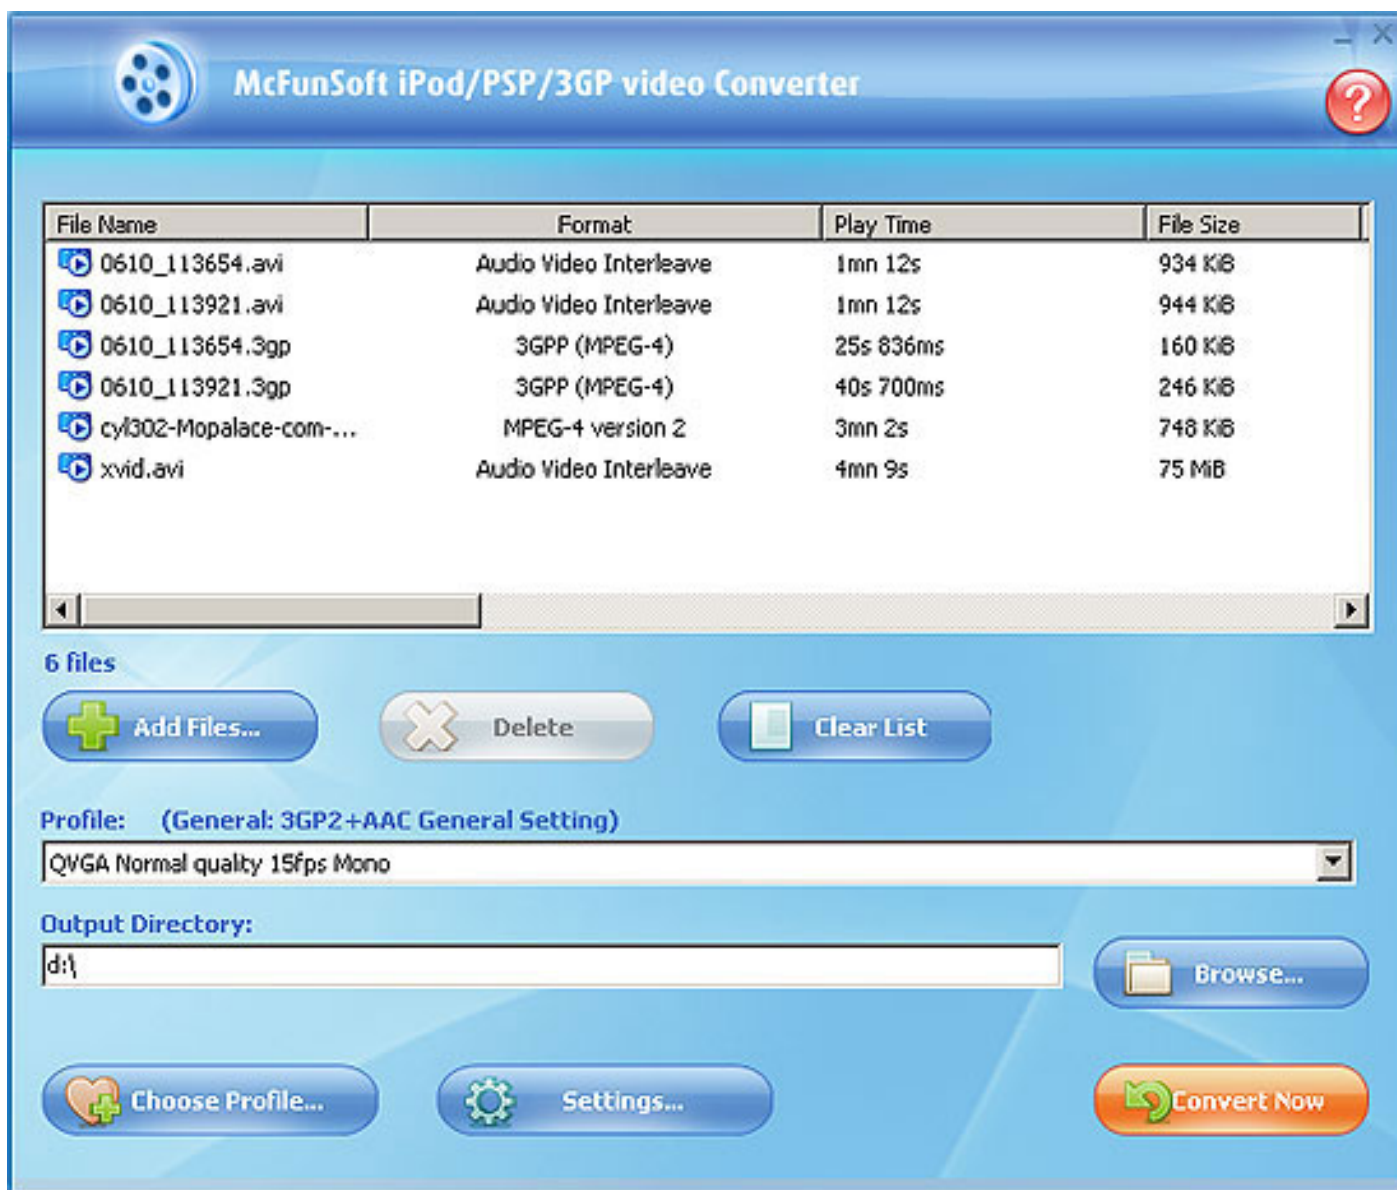

4. Click the "Browse" button to select the output directory.

5. Click the  button to convert! The pop-up window will indicate the process of converting.

The user interface (Overview)

How to buy McFunSoft iPod/PSP/3GP Video Converter

As soon as you make your order, our resellers will verify it. Your order will most likely be processed within 1 hour, but in some VERY rare cases it may take resellers more than 24 hours to process your payment.

The registration key will be automatically generated at our server and e-mailed to you immediately after we receive payment confirmation from our e-commerce reseller.

Please do not worry if you haven't received the registration information right away. Delays usually occur due to the high security settings of spam filters used by our clients. Our message may be rejected as a spam message by the mail service you use.

If you haven't got the registration message within several hours, feel free to contact our [Support Team](#) via email.

If you have questions concerning our software, please send e-mail to: sales@mcfunsoft.com. **We always do our best to help you!**

Buy Now
